

Leaves OF Love

Commemorate Your Child's Birth

The birth of a child is a special moment in your life, and one that we at the Brant Community Healthcare System (BCHS) are proud to have shared with you and your family.

The BCHS sees more than 1,500 births per year and we know the excitement that comes with welcoming a child into the world. It is a great way for beaming parents, grandparents, relatives or friends to show their delight at the arrival of a precious baby.

This thoughtful gift can also be purchased to celebrate other special occasions, such as a birthday, christening, or graduation.

As part of our Leaves of Love Recognition Wall, your leaf will be incorporated into a beautiful tree located at the entrance to the Family Birthing Centre on C3 at the Brantford General site. Each leaf will be personalized and engraved.
