

2025 Read4BCHS Event Sponsorship Package

Supporting Pediatric Care at Brant Community Healthcare System

All Read4BCHS event sponsorships will directly benefit the care of our youngest patients.

The Brant Community Healthcare System (BCHS) is this region's provider for Pediatric Services and is committed to providing high quality and excellent care to pediatric patients in a safe and nurturing environment.

February
4th to 26th, 2025.

BCHS has a 10-bed Pediatric inpatient unit at the Brantford General with 9 highly skilled Pediatricians providing 24 hour care for our community.

The Emergency Department (ED) at the Brantford General Hospital sees approximately 8,000 pediatric patients annually.

Each year approximately 250 families throughout Brantford, Brant County and nearby communities receive specialized care for newborns at Brantford General Hospital's Neonatal Intensive Care Unit - also known as NICU.

The Pediatric Acute Referral Service (PARS) Clinic sees children requiring urgent consultation and offers follow up supports.

With the support of sponsors like you, our goal is to raise \$30,000 for pediatric care!

Thank you to our 2024 Read4BCHS "Bookworm" Sponsors!

HOW DOES Read4BCHS WORK?

Read4BCHS is a community-wide event that engages individuals of all ages and reading levels and reminds us that reading takes us to all sorts of places and connects us to new communities and friends! Our event inspires an appreciation of reading, all while raising much needed funds to support the youngest patients at the Brant Community Healthcare System. Participants are asked to sign up online in either the individual, group/family or school class categories - and collect pledges over the event period. There are great prizes to be won for top fundraisers. And, participants can record their reading journey for chances to unlock rewards.

It's as easy as remembering the 4 R's – Read, Raise, Record, Rewards!

Become a Read4BCHS Sponsor Today, and support pediatric care in YOUR community!
